Hollins

THANK YOU

2015-16 Annual Report on Giving
Dear Alumnae/i and Friends,

On behalf of Hollins’ students, faculty, and staff, I thank you for your generous and timely support of Hollins during the 2015-2016 fiscal year. The content of this report reflects gifts received between July 1, 2015 and June 30, 2016, which was a tremendous fundraising year for Hollins.

Together we met the $3.5 million goal for the Hollins Fund which provides eleven percent of the annual operating budget. This goal is paramount to the financial health of Hollins, allowing us to meet our on-going commitment to operate with a balanced budget and no debt. Therefore, unlike many other colleges and universities, your annual gift directly impacts our students, faculty, and staff, with the largest portion of your gift providing scholarships for students. I am grateful for your recognition of the value of a Hollins education and your commitment to sharing this experience with a new generation of students.

I am pleased to share these wonderful highlights from the 2015-2016 academic year:

• Overall, Hollins received $18,617,612, the largest amount in a single year since 2010.
• Five individuals made commitments of $1 million, or more, in support of our strategic fundraising initiatives.
• The Hollins endowment received $10 million in new gifts.
• In addition to the $4 million commitment for the renovation of Dana, four more commitments, totaling $1 million, were made in order to complete this important renovation project.
• Undergraduate alumnae participation was an impressive 29%.
• Membership in the 1842 Society, comprised of our premier leadership donors, reached 413, increasing 20% over the past 5 years.
• Gifts in the range of $5,000 - $24,000 have increased 41% over this same time period.
• Hollins has received a grant from the Jessie Ball duPont Fund, totaling $100,000 over two years, in support of our commitment to increasing diversity, cultural competence, and inclusion within our community.
• Hollins has also received a $100,000 grant from The Andrew W. Mellon Foundation for “Faculty Development to Advance Liberal Arts Education in the 21st Century.”

As we celebrate our 175th anniversary, I hope you will be counted among our donors during 2016-2017. This is a significant milestone for Hollins and for women’s education. Thank you, once again, for helping to secure Hollins’ future.

Sincerely,

Audrey Stone
Vice President
Institutional Advancement
Hollins University
Dear Alumnae/i,

As the President of your Alumnae Association, and as a fellow donor to the Hollins Fund, I would like to say Thank You. Thank you for helping secure the future of not only Hollins, but also of women who are going places. I have spent a lot of time at Hollins these past couple of years and every time I am there, I am awed by the students I meet. They are amazing! The diversity of both the student body and their areas of study is astonishing. The humanities and the arts are combined with the sciences as students major in physics and minor in theatre, major in English and minor in math. I had the opportunity to see a presentation by one student whose area of study is both art and math; she examined the architecture of cathedrals in England versus those in Wales from a mathematical point of view. Wow!

Your contributions to the Hollins Fund help those in need of financial assistance as well as support the faculty, facilities, and programming that create the Hollins experience. Two students, whom I had the pleasure to meet, are in the work-study program at Hollins—both working in food service. We met as they served appetizers at Hollins functions. One was going to London for a semester, the other had just won, for the second year in a row, a prestigious national award for research. Your donations helped that student with her in-depth research and the other student to study abroad, not to mention supplying the financial aid that allowed them to attend Hollins in the first place. What great opportunities you are providing for these young women! I am sure that if they met you in person, they would like to thank you, too. So let me, as President of the Hollins Alumnae Association, do it for them: “Thank you. Thank you for helping us to be women who are going places, just like you.”

Warmly,

Patricia Peace Rawls ’74
President
Hollins Alumnae Association

STUDENT SCHOLARSHIPS: A LASTING LEGACY WITH A DIRECT IMPACT

Each year, donors who have created endowed scholarships are invited to meet with student recipients during an annual luncheon. Donors hear from students about the difference their gifts have made in the lives of the young women who benefit from their philanthropy. Students hear from donors and family members about the lives of loved ones who have been honored by the creation of named endowed scholarships. The exchange is powerful and reverberates across generations of lives that have been transformed by the Hollins experience.

More than 270 named scholarships have been established during Hollins’ 175 years, totaling approximately $48 million. Not only do scholarships effect the individuals who receive them, they help secure the future of Hollins by influencing student enrollment; financial aid is often the determining factor in a student’s decision to choose Hollins.

Gifts that support scholarships connect donors and students, as expressed by a young woman from the class of 2017 in a letter to her scholarship donor, “Perhaps more meaningful than the stellar education and opportunities we have here at Hollins, is the incredible generation-spanning community between current students and alumnae. Thank you for making me a part of this community through your gift; you’ve given me the ability to achieve the future I’ve always dreamt of and to have access to a life-changing education and experience.”
MELLON FOUNDATION GRANT SUPPORTS PIONEERING FACULTY DEVELOPMENT PROGRAM

The Andrew W. Mellon Foundation has awarded Hollins with a $100,000 grant to invest in a 30-month pilot project entitled “Faculty Development to Advance Liberal Arts Education in the 21st Century.” The program is designed to help faculty identify factors that interfere with student learning and critical thinking, develop new strategies to implement a ‘whole learner’ approach and strengthen students’ proficiency in critical writing, and use this knowledge to revise existing academic courses to better meet the needs of today’s students. Other institutions will be able to utilize the model Hollins creates through this process, informing their own efforts in addressing the emerging needs of students.

FUNDING FOR NEW POSITION TO ENHANCE HOLLINS’ RIDING PROGRAM

Annette Kirby, 1842 Society member and alumna from ‘84 and M.A.L.S.’13, has committed to funding for three years, the new position of Equestrian Recruiting and Marketing Coordinator for Hollins’ nationally ranked riding program. Hollins University boasts one of the nation’s strongest equestrian programs, and although the powerhouse coaching team has produced champion after champion, riding is never seen as separate from or more important than the academics of the Hollins experience. With this in mind, the position was created to develop marketing strategies to firmly establish Hollins’ presence in the increasingly competitive world of collegiate riding while actively recruiting high-quality students focused on their education who are also strong riders.

Annette, a former Hollins rider, has generously supported Hollins in the past through the Hollins Fund, the Riding Program, and as a sponsor of Hollins horse shows. In 1980, Annette, the Kirby family, and the Guilford Foundation helped Hollins recover quickly after a fire destroyed the riding complex, by providing an exceptional facility that is still in use today. Hollins remains grateful for the magnanimous philanthropy from Annette and her family which allows the equestrian program, and Hollins, to thrive.

JANUARY SHORT TERM INTERNSHIPS RECEIVE LONG-TERM SUPPORT

Internships are a valuable part of the Hollins experience. They allow students to translate their liberal arts education into work experience and give them a competitive edge after graduation. The impressive internships that Hollins makes available are also a strong incentive when prospective students and their parents consider the value of a Hollins education.

Students recognize and appreciate the extraordinary benefit of their internships and the generosity of the alumnae donors, sponsors, and hosts who make them possible. In January 2016, a student blogger wrote, “I still can’t believe this is real! I am incredibly grateful for the opportunities that our alumnae so graciously provide, and [my internship] is a dream come true.”

Betty Evans Pearson ’62 contributed $400,000 to create an endowed internship fund, which has been named in her honor, providing long-term support for this important program. The fund will assist sophomores, juniors, and seniors, with a preference for business or economics majors, who secure one of Hollins’ competitive signature internships. Betty’s gift, along with donations from other supporters of the program, is enhancing Hollins’ present while advancing her future in the same way that internships augment students’ education while benefiting their future.
On March 2, 2016, alumnae/i, current and past parents, friends, spouses, current and former faculty and staff, and students came together to answer a challenge issued by a generous group of anonymous donors: raise $100,000 in just 24 hours and receive a matching gift of an additional $100,000.

In true Hollins fashion, our community not only met this challenge, but exceeded the goal. Participants brought home the gold by making a gift, challenging others who love Hollins to do the same, and sharing it all on social media.

Thank you to everyone who gave Green for the Gold, making the Day of Giving a success! Together, we are helping women go places!

The Green and the Gold Society
The Green and the Gold Society recognizes the important role of alumnae/i, parents, and friends who consistently support Hollins. Donors to any designation at Hollins for five or more consecutive years are honored with the symbol next to their name in the Class Year, Graduate Alumnae/i, and Friends and Family lists. Membership is also extended to recent alumnae/i who have given every year since graduation.

Marian Wolff Young Society
Named in honor of Marian Wolff Young ’29, who made a gift to Hollins every year from her graduation until her death in 2008 – nearly 80 years! The Marian Wolff Young Society recognizes lifetime giving to Hollins. Donors who give every year since graduation are recognized with a Y next to their name in the Class Year lists and receive a ribbon to wear at Reunion denoting their membership in this society.

Recognizing gifts made from July 1, 2015 - June 30, 2016
Miss Matty’s Circle

Miss Matty’s Circle honors Matty Cocke, daughter of Hollins’ founder, president of Hollins from 1901 to 1933, and the first woman to head a college in Virginia. “Matty” led Hollins through a transitional period in academics as, for the first time, the school offered a four-year bachelor of arts program. Miss Matty’s Circle serves as a transitional giving program. Miss Matty’s Circle recognizes Hollins’ most generous supporters whose lifetime giving to the university exceeds $1,000,000. We are grateful to those who have lifted their sights for Hollins.

Totals for Reunion 2016 classes include pledge commitments made July 1, 2015 - June 30, 2016
Going Places Since 1842. Thank you for your generosity to Hollins for the 2015-16 fiscal year, July 1-June 30. Gifts to the Hollins Fund help sustain Hollins for future generations. Capital project support provides improvements to buildings and facilities while preserving our historic campus. Scholarship funds allow high-achieving students to attend Hollins and benefit from the multifaceted education unique to our university. By supporting Hollins with your gift, you are funding the opportunity for women to go places now and in the future. How far can we go?

WHAT YOU CAN DO

- Give to the Hollins Fund each year.
- You can make a difference by including Hollins in your will. Make Hollins part of your legacy with a planned gift.
- Honor a special person or family member in perpetuity at Hollins by creating an endowed scholarship.
- Make a gift to the general endowment. The unrestricted endowment gives Hollins the flexibility to respond promptly to timely opportunities or the changing demands of today’s academic environment, and strengthens our ability to meet our mission for years to come.

IF YOU'D LIKE MORE INFORMATION ABOUT GIVING, PLEASE CONTACT US:

1-800-TINKER1 (1-800-846-5371)
GIFTS@HOLLINS.EDU
WWW.HOLLINS.EDU/GIVING

THANK YOU!
