Printed Name_____ Phone _____

Address_____

Signature_____ Date_____

†MEDICAL EXEMPTION

☐ DTP ☐ Td ☐ Hepatitis B ☐ Measles ☐ Rubella ☐ Mumps ☐ Meningococcal Vaccine ☐ OPV

As specified in §23-7.5 of the Code of Virginia, I certify that administration of the vaccine(s) designated above would be detrimental to this student's health.

The vaccine(s) is (are) specifically contraindicated because _____

This contraindication is ☐ permanent (or) ☐ temporary and expected to preclude immunization until _____

_____ _____

Signature of Physician or Health Department Official Date

†Religious Exemption: Any student who objects on the grounds that administration of immunizing agents conflicts with religious beliefs or practices shall be exempt from the immunization requirements unless an emergency or epidemic disease has been declared by the Board of Health. An affidavit of religious exemption must be submitted on a Certificate of Religious Exemption (Form CRE-1) which may be obtained at any local health department, school division superintendent's office or local department of social services.

Tuberculosis Screening: Required of All Students

Fill out the first section and take to your health care provider with your immunization record

_____ _____ _____

Name Date of birth Student ID Number

TO BE COMPLETED BY YOUR HEALTH CARE PROVIDER. TB screening must be completed within six months.
Please answer the following questions.

1. **Does the student have signs or symptoms of active TB disease?** ☐ YES ☐ NO

If NO, proceed to question 2.

If YES, proceed with additional evaluation to exclude active TB disease including tuberculin skin Testing (TST), Quantiferon Gold TB test (QFT), chest x-ray (CXR) and sputum evaluation as indicated. Documentation required that all tests are negative or that treatment is effective and student free of communicable disease.

2. **Is the student a member of a high-risk group?** ☐ YES ☐ NO

Categories of high-risk students include those: with HIV infection; who inject drugs; who have resided in, volunteered in or worked in high-risk congregate settings such as prisons, nursing homes, hospitals, residential facilities for patients with AIDS, or homeless shelters; and those who have clinical conditions such as diabetes, chronic renal failure, leukemias or lymphomas, low body weight, gastrectomy and jejunoileal by-pass, chronic malabsorption syndromes, prolonged corticosteroid therapy (e.g. prednisone > 15 mg/d for > 1 month) or other immunosuppressive disorders.

If NO, continue to question 3.

If YES, obtain QFT (preferred) or perform TST

QFT-TB Date obtained: ____/____/_____ **Result:** ☐ Positive ☐ Negative

OR TST: Date given: ____/____/_____ Date read: ____/____/_____ Result: _____mm (transverse induration)

Interpretation (based on mm of induration as well as risk factors) ☐ Positive ☐ Negative

If positive, please obtain QFT: Date obtained: ____/____/_____ **Result:** ☐ Positive ☐ Negative

If positive QFT, obtain CXR (if symptoms):

Date: ____/____/_____ **Result:** ☐ Normal If abnormal CXR, return to Question 1 - yes

If normal CXR, INH initiated Date: ____/____/_____ Completed: ____/____/_____

3. **Was the student born in or has the student traveled to countries OTHER than those on the following list? ☐YES ☐NO**

Albania, American Samoa, Andorra, Antigua and Barbuda, Aruba, Australia, Austria, Bahamas, Barbados, Belgium, Bermuda, British Virgin Islands, Canada, Cayman Islands, Chile, Cook Islands, Costa Rica, Cuba, Curacao, Cyprus, Czech Republic, Denmark, Dominica, Egypt, Finland, France, Germany, Greece, Grenada, Iceland, Ireland, Israel, Italy, Jamaica, Jordan, Lebanon, Luxembourg, Malta, Monaco, Montenegro, Montserrat, Netherlands, New Zealand, Norway, Oman, Puerto Rico, Saint Kitts and Nevis, St. Lucia, Samoa, San Marino, Saudi Arabia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Tokelau, Tonga, Trinidad & Tobago, United Arab Emirates, United Kingdom, United States Virgin Islands, West Bank and Gaza Strip, United States of America

IF NO, please sign below.*

If YES, obtain QFT: Date obtained: ____/____/_____ **Result:** ☐ Positive ☐ Negative (If negative, sign below)

If positive without symptoms, INH initiated Date: ____/____/_____ Completed: ____/____/_____

Continuation of Care

Hollins University is committed to supporting students in their pursuit of well-being from a holistic perspective. If your student is currently being treated for a physical or mental health condition, we want to help with their transition to campus life. Before your student comes to Hollins, please take these steps:

- If your student takes prescription medications, please make sure they have refills to get them started. We have a Nurse Practitioner, Medical Doctor and Psychiatrist who may be able to refill these medications, but having refills will help to avoid gaps in care.
- If your student takes medications for ADD/ADHD, obtain records from the current physician and have the student contact Health Services upon arrival to campus to schedule an appointment with the Medical Doctor.
- If you believe your student needs medications for ADD/ADHD but they have not been diagnosed, please schedule an appointment with your doctor at home. While our Medical Doctor can prescribe ADD/ADHD medications, we do not diagnose this condition.
- If your student sees a psychiatrist at home, please obtain records from their current physician. Your student will need to see a counselor on campus for a referral to our psychiatrist.
- If your student has not had all the required vaccines, it is best to get the vaccines at home so they can be billed to your insurance. While we can provide vaccines in the clinic, those cannot be billed to insurance so the student will be charged our contracted rate.
- Students with a complete health form are eligible for 20 counseling sessions per year free of charge. If your student needs additional sessions or prefers to be seen off campus, they can speak with a counselor for a referral.

If you would like to discuss any physical or mental health conditions with our office before your student arrives on campus, please fill out the form below and someone from the Health and Counseling Center will contact you.

Student name: _____

We would like more information about:

☐ Health services (please specify): _____

☐ Counseling

☐ Treatment for ADD/ADHD

☐ Psychiatric Services

☐ Other (please specify): _____

Preferred method of contact:

☐ Email : _____ ☐ Phone: _____

To Be Completed By

New Student Prospective Athlete

As a prospective student-athlete for Hollins University, you are **required** to have a **complete physical exam** before you can participate in any athletic program activities at Hollins University.

The staff of the Health & Counseling Services Center is committed to maintaining strict confidentiality. However, in order for you to perform safely as a student-athlete, the athletic department may request knowledge of certain confidential health information and/or conditions. This may include information such drug and alcohol use, current medications, allergies (e.g., bee stings, drug allergies), need for corrective lenses, and/or history of any medical condition or injury that may need to be monitored during your participation in collegiate sports.

We believe firmly in the benefits of physical fitness for all and will support you to help you reach your goals as a student-athlete. Our goal is to help you to safely participate in athletic programs and activities, which may require confidentially providing information to the athletic department as needed in order to support that goal.

Your first-year or transfer **Health and Immunization Record** form contains information that may be confidentially released to the athletic department in order for you to safely participate in athletic programs. It will be your responsibility to inform the Health & Counseling Services Center if you do not wish to release specific information to the athletic department.
